# OUR STORY

In 2007 Heather Owen, One Tail at a Time's president and co-founder, visited Chicago Animal Care and Control for the first time. That year, the city shelter was euthanizing more than 13,000 animals inside its walls.

The next year, One Tail at a Time was born inside an Albany Park apartment among five friends and has since experienced consistent, steady growth. The support

of the One Tail at a Time community has been overwhelming.

OTAT is now a top dog transfer partner at both of Chicago's open access shelters and leads a robust transport program that continuously rescues dogs from southern states in need.

**Thank you for joining our efforts!**

## OTAT PROGRAMS

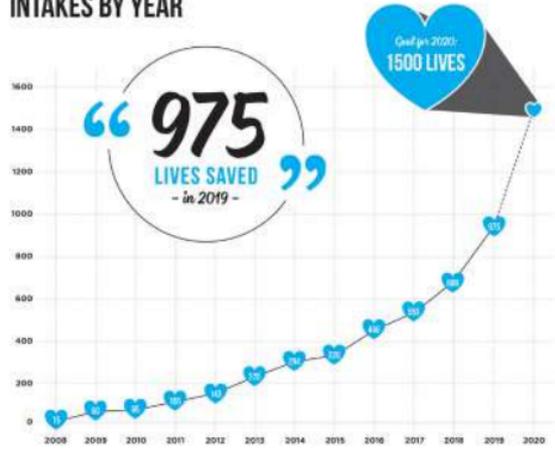

- **OTAT founded and leads the only shelter diversion program** at Chicago's city shelter, keeping more than 3,000 pets from entering the shelter since 2016.
- **More than 861 dogs found forever families in 2019** at OTAT's adoption center in Chicago's Bucktown neighborhood. OTAT is on track to save 1,500 lives in 2020.
- **The "OTAT Kitten Rescue Team"** saves neonate and orphaned kittens, who are among the most vulnerable pets in any shelter system.
- **OTAT's Isolation Center** in Logan Square provides a safe-haven for sick and injured dogs from nearby shelters, giving them the chance to heal and decompress before joining a foster home.

- Suzie S. Salesforce

Stand by your employees (or clients) and their commitment to dogs in need by offering to match their charitable gifts dollar-for-dollar.
