Executive Director's Welcome

*“Being brave is not being unafraid,
but feeling the fear and doing it anyway.”*

- Gloria Steinem

Friends,

We walked into 2020 with confidence that was shaken to its core in March. As we began Spring we had two choices. We could shut down and let the fear get the best of us, or we could dig deep and find a way to support our city.

We are grateful that when we chose to be brave we had a community standing with us. Thanks to thousands of volunteers, fosters, donors, and adopters, we have produced a silver lining that we can all enjoy: over 1,500 lives saved in just ten months.

If nothing else this year has taught us that we have the courage to move forward. And we hope more than anything you'll join us.

Sincerely,

Heather Owen, JD
Executive Director & Co-Founder
