Top Transfer Partners by Species

Transfer Partner	Species	# of Transfers	Percentage of Total Intake
Chicago Animal Care & Control	Dogs	293	28.6%
	Guinea Pigs	4	80.0%
Humane Society of St. Joseph County	Cats	158	31.5%
	Rabbits	24	41.4%

Note: One Tail at a Time's Animal Care Teams typically select transfer partners by analyzing the transferring shelter's intake and live outcome numbers as well as funding levels. Staff use this data to determine which animals are most in need at that time.
